

FUNDRAISING IDEAS!

A sponsorship letter is included in your participant packet to ask friends and relatives for donations. Your team will be credited when these donations are received.

Here are some additional ideas to you exceed that \$200 mark!

1	Jeans Day! Many HeartStrings teams have instated a Jeans Day in their work place. Each coworker who would like to wear jeans purchases a HeartStrings Sticker for a \$5-\$20 donation. Guidelines for Jeans Day need to be established with the “powers that be” prior to initiation.
2	HeartStrings Dinner! If you have a team member who is culinary inclined, sponsor a dinner and charge your friends \$5-\$50 to enjoy in the festivities. You could also host a wine tasting and charge admission
3	Raffle it! Donated items are a great way to gather donations for HeartStrings. Set a day for the raffle and start raising money!
4	Ask a Business! Everyone is a regular somewhere. Ask you favorite restaurant or business if they would pick a date and donate a percentage of their proceeds to Project Access. Call Sheri at 274-2267, #306 if you find an interested business and we can facilitate the rest!
5	Employee Match! Your employer may have a matching fund that you can tap into and turn that \$100 into \$200 with the blink of an eye.
6	Service Day! Are you on the cycling team? Have a bike repair day and donate the proceeds. Maybe you are a painter or a gourmet cook. Sell lessons to your friends and donate the proceeds.
7	Tupperware Party! Organize a Tupperware® or Mary Kay party and donate a percentage of the proceeds.
